

3rd EUROCALL MALL SIG Meeting

EUROCALL 2014
Friday, August 9th

MALL SIG Board representatives:

M^a Dolores Castrillo

mcastrillo@flog.uned.es

ATLAS (UNED)

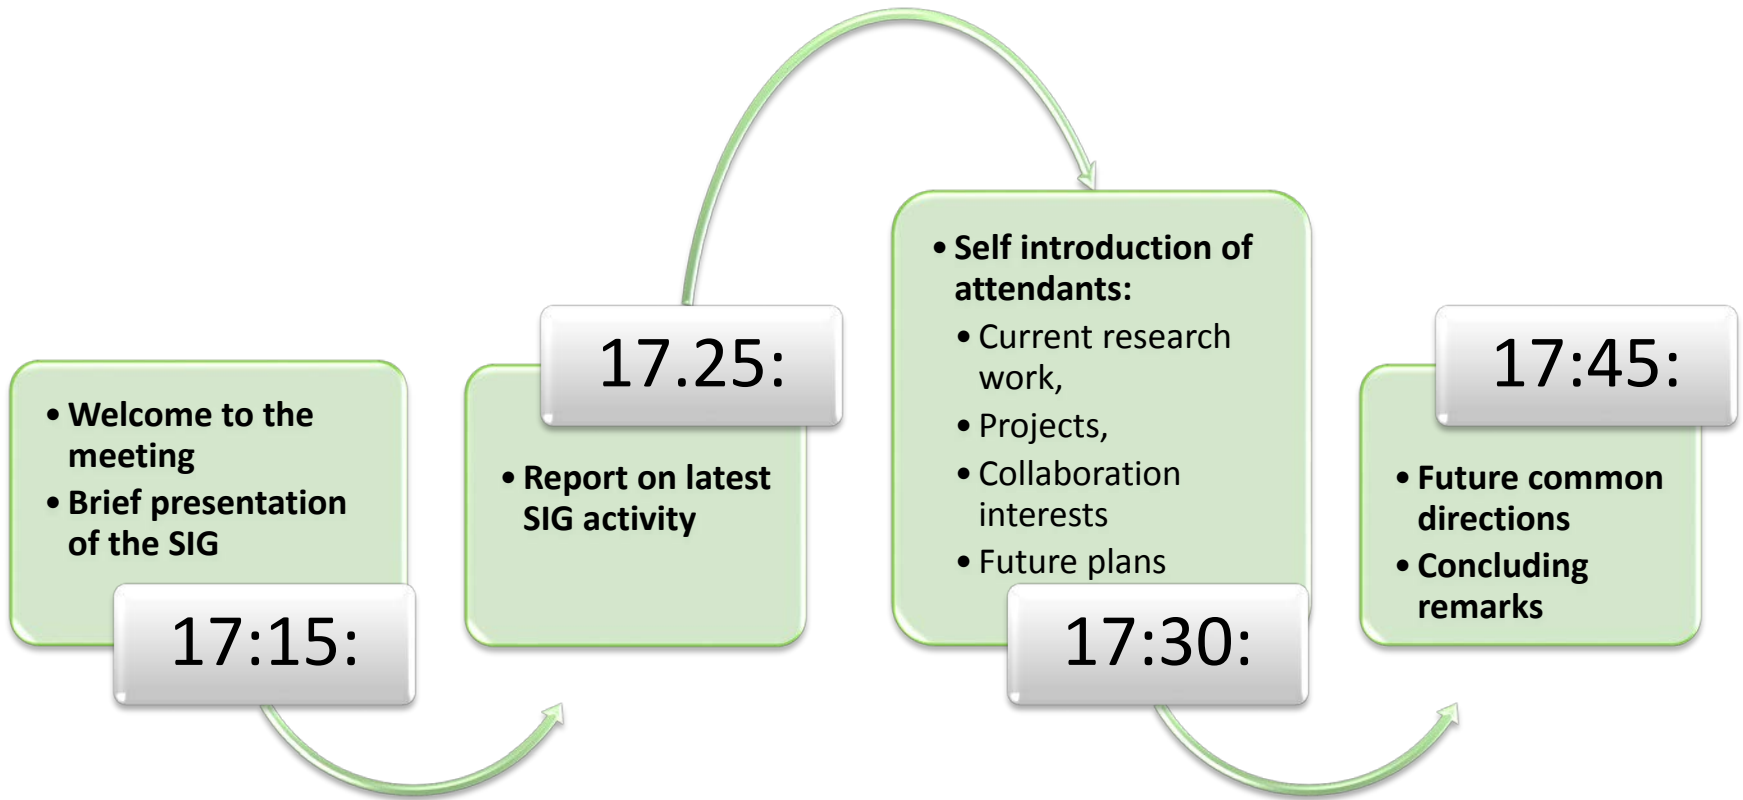

Antonio Pareja-Lora

apareja@sip.ucm.es

UCM / ATLAS (UNED)

Programme

Objectives of the EUROCALL MALL SIG

Gather information of members of the SIG

- Work in progress, projects, apps and related products
- Publications
- Courses, seminars, congresses, etc.

Disseminate information

- Via the MALL SIG wiki: http://atlas.uned.es/mediawiki/index.php/EUROCALL_MALL_SIG

Promote (online) academic debate about MALL

- Via LinkedIn: <http://www.linkedin.com/groups/EUROCALL-MALL-SIG-http-atlasunedes-6520472>

Organize periodical workshops and symposia

- Goal: exchanging experiences and ideas

Promote joint research and academic projects

- Encourage teaching and/or research visits and exchanges
- Support developing collaboration
- Develop jointly funded projects.

What are the activities of this SIG?

Coordinate a LinkedIn group on MALL.

Host and maintain the MALL SIG wiki.

Share information with other SIG members on recent developments in MALL.

Organize workshops and/or symposia about MALL at EUROCALL conferences and similar events.

Coordinate specialized publications in the field of MALL.

Maintain a key bibliography on MALL (work in progress).

Provide an updated list of apps for MALL on different devices and operating systems (work in progress).

Coordinate regional workshops in members' home institutions that enable members to disseminate EUROCALL's MALL work.

Establish links with other organizations and SIGs working in related areas.

People of this SIG

Last year's activities (2): EUROCALL MALL SIG in LinkedIn

The screenshot shows a LinkedIn post by Jorge Arús-Hita. The post title is "3rd EUROCALL MALL SIG meeting; Thursday 21 August, in Groningen, the Netherlands (within EUROCALL 2014)". The text of the post says: "We are pleased to announce the 3rd EUROCALL MALL SIG Meeting to be held at the University of Groningen. This 45-minute meeting, open to all EUROCALL members, will provide an opportunity ...". Below the post, it shows engagement: "Like (4) • Comment (5) • Unfollow • 1 month ago". There are three comments visible: one from Joshua Underwood, one from Antonio Pareja, and one from Elena Barcena. The right sidebar of the LinkedIn page is also visible, showing "Getting Started" and "About | Feedback | Privacy & Terms".

Last year's activities (3): 2nd MALL SIG meeting @ TISLID'14

2nd MALL SIG meeting @ TISLID'14

- 2 Invited talks:
 - Prof. John Traxler (University of Wolverhampton, UK):
 - “MALL – Possibilities with the Guerilla MOOC”.
 - Joshua Underwood (London Knowledge Lab, British Council, Spain):
 - “Mobiles, Vocabulary and connecting experiences”.
- 13 SIG member presentations:
 - Pecha-kucha format: 5 minutes each
 - Current research work, projects, collaboration interests and future plans

Your turn...

Introduce yourself briefly, by stating your:

- current research work,
- projects,
- collaboration interests,
- future plans, etc.

Concluding reflections and future directions

Next MALL SIG workshop(s):

- An executive meeting at EuroCALL 2015
- A research and/or academic workshop somewhere else in winter/early spring:
 - Proposals for location, date, etc.?

TISLID extended papers volume [8000-10000 words]:

- Deadline: October 15th, 2014
- E-mail: tislid14selected@gmail.com
- Subject: Call for Papers: TISLID14 Volume of Selected Papers [MALL SIG]

New MALL special issue proposal in a journal with a good (JCR) impact factor?

Joint (European) project proposal(s)?

Any other suggestions?

Thanks!
